

### **INFORMATION FOR OVERSEAS COMPETITORS**

Please see below a link to the RYA guidance regarding bringing boats into the UK from Europe for regattas.

In addition to the above, once an overseas competitor has paid their entry fee they will receive an individually address letter by email from Royal Torbay Yacht Club confirming that they are a valid entry for the event.

This is to further assist should the competitor be asked for the reason they are bringing the boat into the country.
